"In the land of exceptional restaurants, Mae Daly's is a standout. It hits the trifecta of fine dining: great food, great service, great atmosphere. Add to those great cocktails and an owner (Richard) who is not only there supervising but outgoing and fun to talk to. Who was the last owner or celebrity chef that you had a personal conversation with? Just a memorable evening. We'll absolutely be back." – *Lance Martin*

"Everyone, from the owner on down, clearly wanted to be there and believed in the pursuit of excellent food and fantastic service, with every old-school value on display. And food tastes better and is presented better when people believe in what they're doing. Don't sleep on this place, it's a gem." – *Jack Phantom*

"Truly a 5-star experience. Absolutely fabulous staff, hosts and they truly take an interest in your dining experience. One of the best grass fed filet I have had in town. Generous pours, Tommy is excellent, 5 stars across the board and I highly recommend skipping the strip steak houses and take the short ride up la Vegas Blvd. to this gem." – *Matthew P.*

"A True Five-Star Experience! I recently dined at Mae Daly's, and it was nothing short of exceptional. From the moment I walked in, the ambiance set the tone for a top-tier dining experience. The white tablecloth service added an elegant touch, and the staff were incredibly attentive, the waiter "O", provided impeccable service that made me feel truly cared for. The highlight, of course, was the steak. Their aged steaks are simply out of this world -perfectly tender, flavorful, and cooked to perfection. Each bite was a reminder of what a fine steak should taste like. The attention to detail in every course was remarkable, and it's clear they take great pride in sourcing and preparing only the best. If you're a steak lover looking for a flawless experience with top-notch service, Mae Daly's is a must-visit. Five stars all the way!" – *Christopher Gonzalez*

"Steak cooked to perfection. Staff was incredibly friendly and alert. The owner stopped by our table to check on us as well as the chef and our waitress was very helpful. I would recommend this place to anyone. Very elegant, classy and the food was absolutely delicious. Every customer was treated like royalty and family at the same time when they walked through that door. They treated us like VIP. We will be regulars when we come to visit Vegas." – *Christina De La Cruz*

"Mae Daly's Steak House is a gem that stands out among dining establishments. From the moment we walked in, the exceptional staff made us feel welcomed and valued, paying close attention to every detail of our experience. Their attentiveness and knowledge about the menu added to the enjoyment of our visit. The food was nothing short of spectacular, we got the lobster Thermador and the Wagyu Ribeye Steak. The atmosphere was warm and inviting. Overall, Mae Daly's Steak House offers an unparalleled dining experience, combining outstanding service, exquisite food, and a delightful setting. Whether you're celebrating a special occasion or simply enjoying a night out, Mae Daly's delivers on all fronts and is highly recommended." – *Michael McNamara*

"From the moment you arrive you feel at ease with the complimentary, private valet. When you step in, you're greeted by smiling faces and twinkling chandeliers. First stop, the bar, nestled behind the dining room, so you can be as rambunctious as you dare and still won't disturb the diners. A hand-crafted cocktail and glass of bubbly later, we were seated for dinner. We started off big with a Chilled Seafood Tower that was phenomenal! Crab, Lobster, Shrimp, Oysters, Clams and various sauces- my favorite cocktail sauce with added horseradish. We moved into a shared Tomato & Stone Fruit Baratta Salad that was fresh & delicious. My Grass Fed Filet Mignon was cooked to perfection with heavenly whipped potatoes, a hearty& flavorful creamed spinach and Glazed Carrots. Don't forget to order your Chocolate or Grand Marnier Souffle for dessert (30 minutes to prepare). Great atmosphere, amazing service team with owner Richard Femenella (seasoned restaurant veteran of 25+ years with Charlie Palmer Group) mingling about and making sure everyone is taken care of. Get in before you're not able to get reservations!" – *Shellee Renee*

"All I can say is WOW, amazing atmosphere, food, and people. The owner actually came out to us and talked with us personally. I have eaten the best of the best, the big-name steakhouses etc., and nothing, and I mean nothing compares to this place. When we are back in Vegas, it will be a must" – *John Seibel*

"Absolutely one of the best places I've ever dined at. My wife and I had a fantastic experience. From the food, to the service, to the hospitality of the staff, everything was amazing. We would highly recommend this to anyone looking for a classy steakhouse" – *Cam*

"Well I've been to many restaurants abroad and countless in Vegas but this food and service tops them all. I can't say enough about the food and service. If you don't come here, you're absolutely selling yourself short in Vegas." – *Pled*
